

Off the Beaten Path

Demetri Rombocos, President, with the Caryatids columbaria in our Olympia Legacy Gardens (Private Columbaria Estates Available)

Discover the beauty and serenity of our 8 new museum quality bronze and granite columbaria with inspirational statuary. During the upcoming holiday season give your family peace of mind and preservation of your legacy.

We guarantee the best quality and value.

Compare and You'll Be Amazed!

We encourage you to visit and compare the prices of the five local corporate **Dignity** funeral homes and their Memorial Gardens Cemetery and Mausoleum facilities with our Shrine of Remembrance and its affiliates.

Seeing is Believing, even when you compare the city owned cemeteries, **Evergreen and Fairview**, your legacy will be best served with us! Although, when families we serve request ground burial we recommend Evergreen and Fairview Cemeteries. We always follow the family's wishes. **Please note**, cheap funeral and cremation providers, who operate from inadequate facilities, fail to offer anything of lasting value to memorialize and honor your legacy.

You don't need to compromise.

We promise to help your family get the best price. Medicaid families are welcome here.
