

Reaching Out to All Medicaid Recipients and Their Families

**“Are you currently receiving
Medicaid Benefits? Do you have a loved
one whose health is declining and is
receiving Medicaid assistance?”**

Most people do not know that Medicaid benefits include a final expenses benefit of up to \$1,500.00. This benefit can be serviced through our funeral homes. Shrine of Remembrance has been serving the community for the last 49 years with funeral and cremation services through our on-premises, state-of-the-art cremation facilities with 2 crematories. We are uniquely qualified to assist Medicaid families with their final wishes including funeral, memorial, or celebration of life services through our three separate chapels or through our exclusive reception hall, permanent placement of cremated remains, and optional memorialization, if requested.

Our compassionate services, including benefits provided to our veterans and their families, are legendary throughout the Pikes Peak Region. The Shrine of Remembrance's exclusive Veterans Honor Court, together with its honorary trustees, has been recognized by two former U.S. Presidents, the Colorado State Legislature, the Colorado Springs City Council, Peterson Air Force Base, the United States Air Force Academy, and El Paso County law enforcement officers.

When selecting simple cremation arrangements, we can provide Medicaid families with the peace of mind in knowing that there will be little or no out-of-pocket expenses for those who have exhausted their assets and financial resources. Additionally, we offer our Medicaid cremation client families complimentary use of our reception hall, inurnment at our dedicated, perpetually maintained and truly inspirational Rock of Ages and "America the Beautiful" scattering rose gardens.

We have competitors but we have no competition. In summary, a family who has a loved one 60 years or older, who passes away while having Medicaid benefits and has no assets, can request cremation, memorial service, and rose garden scattering for only \$570 out-of-pocket expense with our funeral home. **No other funeral home has ever offered so much value for such an affordable price (amounting to thousands of dollars in savings to the family)!** When you compare, there is nothing to compare to.

“Show me the manner in which a nation or community cares for its dead, and I will measure with mathematical exactness the tender sympathies of its peoples, their respect for the laws of the land and their loyalty to high ideals.”
- Sir William Gladstone
