Veterans and Law Enforcement Officers Save 50%

To honor the sacrifices of our Veterans, law enforcement officers, firemen and their families, for a limited time with your reservation of our new Liberty Columbarium in our Veterans Honor Court, a Veteran, officer or fireman and their spouse will receive a significant savings of 50% on the cost of cremation when purchased at the same time.

*Please note: Veterans National Cemeteries don't provide for grave space reservations ahead of time or for pre-arrangements involving funerals with caskets, or cremation/memorial services.
Ask us for details.*

Compare and You'll Be Amazed!

We encourage you to visit and compare the facilities (including the location of their crematory) and prices of the five local corporate **Dignity** funeral homes (**including Swan Law**) and their Memorial Gardens Funeral Home, Cemetery, and Mausoleum facilities with our Shrine of Remembrance's affordable, complete, on-premises facilities including ample off-street parking (**our 50 year anniversary is just months away**).

Seeing is Believing, even when you compare the city owned cemeteries, **Evergreen and Fairview**, your legacy will be best served with us! Although, when families we serve request ground burial with a casket we always recommend Evergreen and Fairview Cemeteries.

Cheap funeral and cremation providers, most of which operate from unsatisfactory facilities (curbstone operators with a storefront only), fail to offer anything of lasting value to memorialize and honor your legacy. You don't need to compromise.

*For those families of the Catholic faith who wish to adhere to the teachings of the church, please carefully read directions from the Vatican about the disposition of cremated remains at:
http://shrineofremembrance.com/Vatican_issues_guidelines_on_cremation.pdf*

**Medicaid families are welcome and served here.
Medicaid pays for cremation.**
