of
The Colorado Legislature

Hereby extend heartiest congratulations and commendation to

The COSTAS ROMBOCOS FAMILY
and the SHRINE OF REMEMBRANCE

for

donating the bronze "America the Beautiful" Centennial Memorial for the summit of Pikes Peak, commemorating the 100th anniversary of the writing of our nation's favorite anthem by Katharine Lee Bates while she was visiting Colorado Springs in 1893. Her awe of our "purple mountain majesties" has inspired the nation for decades. With this bronze memorial, may we renew our resolve to protect our American heritage as so beautifully depicted by the words of her song.

On request of SENATOR MARYANNE TEBEDO;
also REPRESENTATIVE BILL MARTIN
and ON BEHALF OF ALL THE MEMBERS OF THE COLORADO GENERAL ASSEMBLY

Given this 4th day of May, 1993, State Capitol, Denver, Colorado.

Tom Norton
President of the Senate

Chuck Dwyer
Speaker of the House of Representatives
